KLATT OBJECTS at the Summer Fairs 2023

New in the bird paradise: Parrot WALTER

From late summer 2023, an attractive exotic bird will join the current collection of blackbirds, blue tits, robins and wrens: with the WALTER parrot, Klatt Objects is continuing its popular series of decorative objects. Like its European counterparts, it elegantly perches on the rim of vases or bowls and adds a touch of the Caribbean to the winter ambience.

About Klatt Objects

The lifestyle brand Klatt Objects embodies selected and responsible design art. The founder and creative director is Detlef Klatt. The designer combines more than 20 years of experience in floristry, design, production, edition and retail. His contemporary collections include home accessories, vases, vessels, bowls, decorative objects and unique pieces made of porcelain, wood, shells and various natural materials. The design is his creation, the handicraft production is carried out according to responsible principles in the Philippines. The sophisticated collection is complemented by paintings and selected objects by international artists.
