# Zoe Corbey

EK AMSTERDAM LOOKBOOK AW 2023

**Zoe Corbey, please introduce yourself.**

Hi, I'm Zoe, a Dutch illustrator and photographer. In addition to my work for clients, I also sell prints, cards, and wallpaper and enjoy creating animations of my illustrations. I like combining illustration and photography, as it allows me to interact with people on set and then retreat to my home studio.

**Where does your passion for illustrations come from?**

I come from an artistic family.

My grandfather was Charles Burki, a well-known artist and illustrator, and as a child, I would often spend hours drawing. When I begin to draw, a narrative takes shape within my mind, gradually coming to life on the paper as it flows through my hand. When I haven't drawn for a while, I become restless and can only relax again once I've drawn something!

**Can you describe your work process?** I'm not very good at following a long process of preliminary sketches; I usually

INTERVIEW

just start and see where it goes. Sometimes I realize that something isn't working, and I start over. I can be inspired by colour combinations I've seen in fashion or interior design, or by places I've visited while travelling.

**What is your favourite activity besides working on your label?** I have a strong wanderlust and love to go out and explore with my family. Besides this, I really enjoy cooking and trying out new recipes. Ideally, I would love to

create a cookbook featuring photos of my recipes and illustrations – a combination of all the things I enjoy.

**What made you decide to start a collaboration with &k amsterdam?** I'm incredibly proud and happy that &k wanted to collaborate. I had been wanting to work with a lot of colours for a long time, and when I received the briefing, I was certainly not disappointed – the colours of this collection literally jumped off my screen. When assembling the houses,

the possibilities were quite endless.

**What do you think makes the connection between &k amsterdam and your own style?** The designs from &k often have a playful reference to another object, which I find very amusing. Humour is also important in my work, and I love it when a design is playful and not dull! I had to restrain myself from adding too much quirkiness to the designs, and together we found the right balance.
