Vase LINDA: New in porcelain white

The slender, asymmetrical shape gives the Linda vase series its special grace. So far, the model has been available in two heights (40 cm and 45 cm) in delicate nude shades alone. In August 2023, the coveted collectors' pieces will also be released in the pure porcelain white typical of Klatt Objects and thus fit ideally into the dominant black and white contrasts of the 2023/24 collection.
