

BUTTERFLIES

Introducing new vibrant and neutral colours for the UIMAGE Butterflies hook, allowing you to create a space that matches your personal style.

The Butterflies hook is characterised by its exceptional functionality by keeping your small items exactly where you need them. With its two wings designed for hanging jackets and scarves, along with its small shelf ideal for holding your keys and wallet, Butterflies is the perfect blend of style and convenience.

Butterflies is now available in a range of new colours that will complement any interior setting. Whether you prefer a bold and striking statement or a more subtle and refined look, the Butterflies will continue to make an bold design statement wherever it is placed. Opt for a bright, vibrant colour with the nuance orange and nuance rose or go for a more subtle and refreshing colour like the nuance mist and nuance olive.

The design is versatile and will not only be a functional addition to your space but also a captivating design element. Let it spruce up your hallway and keep everything you need before running out the door, hang it by your bedside table for your glasses, or place it by your desk to have your stationery close at hand. The Butterflies hook is set to transform the atmosphere of any style, bringing a spring-like feeling even on the darkest days.
