KLATT OBJECTS at the Summer Fairs 2023

Animal addition for Christmas

High-quality materials and artful craftsmanship meet timeless elegance. The seasonal collectors' items from Klatt Objects add festive glamour to interiors even beyond the Advent season. In 2023, animals join the winter collection for the first time: sheep, moose and squirrel are made of the finest bone porcelain and cut a fine figure not only in the lovingly decorated Christmas tree, but also on every biscuit to hang.

About Klatt Objects

The lifestyle brand Klatt Objects embodies selected and responsible design art. The founder and creative director is Detlef Klatt. The designer combines more than 20 years of experience in floristry, design, production, edition and retail. His contemporary collections include home accessories, vases, vessels, bowls, decorative objects and unique pieces made of porcelain, wood, shells and various natural materials. The design is his creation, the handicraft production is carried out according to responsible principles in the Philippines. The sophisticated collection is complemented by paintings and selected objects by international artists.
