AN EXPRESSIVE LAMP SERIES WITH INDUSTRIAL VIBES

We call it Liberty as the special designed light bulb reminded us of the flame of freedom held by the Statue of Liberty. It is as easy as that.

The Liberty Lamp series is modern and expressive with industrial vibes. Liberty is designed with simple lines where the lightbulb is not hidden away in the design – but it actually plays a significant part of the lamp.

The Liberty series is inspired by the idea of creating a modern lamp with clean cut lines and sharp profile - but nothing is simple about Liberty. This lamp will attract attention anywhere as it looks exceeds the Danish design tradition of simplicity and functionalism. The base of the lamp is designed in simple lines, where the light source itself defines the lamp design.

The collection is available in black and gold.

Collection Overview

Liberty Spot
Brushed gold // Black
H: 25 x Ø5 cm

Liberty Pendant
Brushed gold // Black
H: 41 x Ø15 cm

Liberty Pendant w/ Disc

PRODUCT FACTS

Description

The liberty series is available in two colors – brushed gold plated or matt black powder coating. The Liberty series consists of 6 different lamp designs – all wall lamps and pendants. The pendants are available in 3 styles; 1 downlight spot, 1 pendant with disc and 1 pendant. The Wall lamps are available in 3 different styles; 1 star, 1 double light and 1 single wall lamp. A black textile cord with switch can be purchased for Liberty wall lamps as an add-on. The lightbulbs must be purchased separately.

Designer / Year Of Design

Material

Wall lamps: Coated and treated metal

Pendants: Coated and treated metal and black textile cord.

Construction

All wall lamps comes with a base and is ready for mounting on top of an outlet. A black textile cord with a switch can be purchased as an add-on if you need to plug in the lamp. The Star require 6 bulbs, the Double require 2 bulbs and all other models only require 1 bulb. The Pendant comes without the disc, it can be purchased as an add-on.

Maintenance

Use a dry cloth to dust of the lamp. For further cleaning use a soft non-abrasive cloth with warm water - wipe with a clean soft lintfree cloth.

Classification

Class II

Ip rating

IP20

Voltage

220 - 240V

Frequency

50/60Hz

Socket

Wall lamps: E27

Pendant: E27

Spot Pendant: GU10

Canopy

Metal canopy in the same finish as the lamp

Max load

40W

Cord

Pendants: 3.3m black textile cord

Wall lamps: Not included

Can be bought seperately

Art No.: 22301 - 2m black textile cord with switch

Light source recommended

Wall lamps and pendant:

Art No.: 50024 - Tube Bulb 300 - Plissé

Power: 4W LED bulb

CCT: 2200K

Spot Pendant:

Art No.: 50021 - Mini Spot Bulb

Power: 5W LED bulb

CCT: 3000K
