# Fourteen sophisticated board games for a homebound winter

BY JEAN GRANT | DECEMBER 18, 2020

*The Queen's Gambit* has reignited the romance of the old-fashioned board game—just in time for the long, cold winter ahead of us. In case your worn-out Monopoly set could use an upgrade, we hand-picked a few fancier options that deserve pride of place on your coffee table.

## Peruvian tic-tac-toe

This set, available through the AGO's online shop, features pieces hand-carved in Peru from semi-precious stones. \$105, [shop.ago.ca](#).
