

SPRING / SUMMER 2023

Handed By is the leading brand in handmade woven baskets, bags and home accessories and we are driven by the notion of creating a better world.

Our strategy is based on the following 5 core values:

INSPIRED for you

HANDMADE for you

RECYCLED for you

FAIR MADE for you

DESIGNED for you.

All our products are handmade in Vietnam and China. The social impact we create, is to support more than 300 families and help them improve their lives.

No mass production in big factories, but small, scale projects with long-term personal partnerships. We work intensively with honest and personal partners that often have small, scaled businesses, and believe in our vision; to conquer the world with traditionally produced baskets, bags and other items, made from recycled materials as much as possible. Everything we design is manufactured in an ethical and responsible way, in which 100% free of child labour is guaranteed.

By having contact with our people on site, we feel a great social responsibility towards our weavers and their families. We express the fact that we are very proud of their weaving skills of superior quality. In return, the weavers are proud to work for the Handed By brand.

Working for Handed By is for our craftsmen like 'HAPPINESS IN OUR HANDS'!

INSPIRED FOR YOU

Consumers will increasingly require environmentally conscious, multifunctional and durable products. In our home we search for peace, calm and serenity. The interior is characterized by transparency and clearness in colour and shapes.

The colours of this season are quiet and dusty, for this calming effect. Brown is becoming more important in the interior and is often combined with grey.

The shapes are simple and sleek, the products are and must be multifunctional. In the fashion the fresh pastel colours will combine perfectly with existing colours, they are harmonious and not too aggressive.

Be inspired by the Handed By Spring - Summer collection 2023 and reduce the environmental footprint of your closet!

HANDMADE FOR YOU

All our products are handmade in Vietnam and China. The social impact we create, is to support more than 300 families and help them improve their lives.

No mass production in big factories, but small, scale projects with long-term personal partnerships. We work intensively with honest and personal partners that often have small, scaled businesses, and believe in our vision; to conquer the world with traditionally produced baskets, bags and other items, made from recycled materials as much as possible. Everything we design is manufactured in an ethical and responsible way, in which 100% free of child labour is guaranteed.

DESIGNED FOR YOU

Our collections are developed in our design studio. We are constantly looking for trends in lifestyle, home and the environment and talk to our customers about their needs.

You will find a button with our handprint on every Handed By product, showing that you have a unique, high-quality and trendy product in your hands. It all starts with a unique design, developed in our design studio in the Netherlands with recycled materials as the basis for each product.

RECYCLED FOR YOU

Join us on our journey and help us reduce plastic waste by giving it a second chance!

All Handed By collections are made with recycled plastic. By using recycled plastic, we slow down the process of exhausting the earth's natural resources. By making sustainable products that last almost a lifetime, we generate even more positive impact on the environment.

FAIR MADE FOR YOU

All weaving groups that work for Handed By are BSCI certified. This means that social norms are safeguarded and monitored throughout the entire weaving process. Our standards combine a range of economic, environmental and social criteria that are independently verified as part of BSCI certification. These criteria reflect fair trade's objectives to promote sustainable production and decent livelihoods.

'Fair made' products are changing the way trade works through better prices, decent working conditions and a fairer deal for our weavers in China and Vietnam and of course using a selected range of sustainable materials.

MEET OUR HANDCRAFTERS

Mrs. Tran loves handicrafts! That is why she chooses to weave the beautiful baskets and bags for Handed By. Sometimes a real challenge to make! She no longer works in the rice fields because of her health, so weaving baskets is her main job and thus she earns money for her household. Especially the fact that she is in a group with other weavers makes the work extra attractive to her. Mrs. Tran takes care of her son, who lives in her house.

Linus
Trần Thị Linh

Mrs. Tran craftswoman Handed By

Mr. Bu is a hard worker and is mainly responsible for attaching handles. He also helps with the logistical side of all the work for the weaving groups. His wife also works for Handed By in her spare time. She weaves bags for Handed By. They both love to make beautiful bags. They are grandmother and grandfather of 3 grandsons, who live in Shanghai. Unfortunately, he and his wife only see their grandchildren during the holidays. In the farming season they are busy in the fields. The rest of the time they weave bags to earn money to support themselves and buy gifts for their grandsons.

Mrs. Huong is one of about 300 craftswoman who weave baskets and bags for Handed By. She lives on a farm in northern Vietnam. During the day, Mrs. Huong works in the rice fields, and in the evenings, she weaves baskets and bags. Mrs. Huong has a son and daughter. Since the death of her husband, she has been caring for her children virtually on her own. The extra income she earns by weaving baskets and bags she spends on her children.

Everything on stock

Retailers are free to purchase any quantity of goods from us, either large or small and this is something that smaller shops find especially useful. This means that no goods will remain on the shelf and there is no need for the shop to build up a stock of our products. We will make sure that most of our products are constantly on stock at our warehouse. This enables our customers to purchase additional items on a weekly basis, to replace the items that have been sold.

Order Online

As we strive to offer you an excellent service, you can order online, 24 hours a day and with the highest level of service you have come to expect from us. Our efficient and secure ordering system ensures that your order is quickly processed and dispatched. In our online shop you can find our entire product range, new collections and products that are in sale, which we can all supply from stock.

Go to www.handedby.com, click on retailer site, log-in with your personal code and order.
