

AUTUMN / WINTER 2023

Handed By is the leading brand in handmade woven baskets, bags and home accessories and we are driven by the notion of creating a better world.

Interested in how we do that? Read:

INSPIRED for you, HANDMADE for you, RECYCLED for you, FAIR MADE for you and DESIGNED for you.

By incorporating traditional weaving skills into our designs, we not only preserve cultural heritage but also showcase the artisans' talent and craftsmanship. The emphasis on personal partnerships and long-term relationships reflects a commitment to sustainability and community development. By supporting over 300 families in Vietnam and China, we are directly contributing to their livelihoods and helping them improve their lives.

An important goal for Handed By is to create a better world through handmade, recycled and ethically produced products. By valuing artisans' skills and fostering a sense of pride and happiness in their work, we are not only creating beautiful products but also positively impacting the lives of many individuals and their families.

INSPIRED FOR YOU

We are increasingly in need of eco-friendly, multifunctional, sustainable and artisan handmade products in our homes. This, in combination with a timeless colour palette with earthy colours like 'Sienna', makes the interior a calm and balanced space where you can relax and find the perfect comfort.

Our eye for design in combination with a timeless yet fashionable colour palette gives us at Handed By the opportunity to be the specialist when it comes to "tidying up" in general.

The shapes are simple, sleek and cheerful. We have added the new winter colour trends 'Cherry Passion', 'Spicy Lime', 'Planetary Yellow' and 'Mysterious Purple' and a touch of 'Dutch Blue' to the collection.

Be inspired by the Autumn Winter 2023 collection that contributes to the Handed By atmosphere.

HANDMADE FOR YOU

All our products are handmade in Vietnam and China. The social impact we create, is to support more than 300 families and help them improve their lives.

No mass production in big factories, but small, scale projects with long-term personal partnerships. We work intensively with honest and personal partners that often have small, scaled businesses, and believe in our vision; to conquer the world with traditionally produced baskets, bags and other items, made from recycled materials as much as possible. Everything we design is manufactured in an ethical and responsible way, in which 100% free of child labour is guaranteed.

DESIGNED FOR YOU

Our collections are developed in our design studio. We are constantly looking for trends in lifestyle, home and the environment and talk to our customers about their needs.

You will find a button with our handprint on every Handed By product, showing that you have a unique, high-quality and trendy product in your hands. It all starts with a unique design, developed in our design studio in the Netherlands with recycled materials as the basis for each product.

RECYCLED FOR YOU

Join us on our journey and help us reduce plastic waste by giving it a second chance!

All Handed By collections are made with recycled plastic. By using recycled plastic, we slow down the process of exhausting the earth's natural resources. By making sustainable products that last almost a lifetime, we generate even more positive impact on the environment.

FAIR MADE FOR YOU

All weaving groups that work for Handed By are BSCI certified. This means that social norms are safeguarded and monitored throughout the entire weaving process. Our standards combine a range of economic, environmental and social criteria that are independently verified as part of BSCI certification. These criteria reflect fair trade's objectives to promote sustainable production and decent livelihoods.

'Fair made' products are changing the way trade works through better prices, decent working conditions and a fairer deal for our weavers in China and Vietnam and of course using a selected range of sustainable materials.

Mrs. Tran loves handicrafts! That is why she chooses to weave the beautiful baskets and bags for Handed By. Sometimes a real challenge to make! She no longer works in the rice fields because of her health, so weaving baskets is her main job and thus she earns money for her household. Especially the fact that she is in a group with other weavers makes the work extra attractive to her. Mrs. Tran takes care of her son, who lives in her house.

His wife also works for Handed By in her spare time. She weaves bags for Handed By. They both love to make beautiful bags. They are grandmother and grandfather of 3 grandsons, who live in Shanghai. Unfortunately, he and his wife only see their grandchildren during the holidays. In the farming season they are busy in the fields. The rest of the time they weave bags to earn money to support themselves and buy gifts for their grandsons.

CONTACT & SERVICES

Our sales team at our headoffice in The Netherlands will be pleased to advise and assist you with your questions or sales enquiries. You are welcome to contact us by phone, e-mail, fax or via our website.

Agents & Distributors

In most European countries, in the USA, and Japan, you will get full service and support from our agents and distributors. See our catalogue for further details. They know exactly what products and colours are most successful in your country. You can also contact the headoffice for more information.

Everything on stock

Retailers are free to purchase any quantity of goods from us, either large or small and this is something that smaller shops find especially useful. This means that no goods will remain on the shelf and there is no need for the shop to build up a stock of our products. We will make sure that most of our products are constantly on stock at our warehouse. This enables our customers to purchase additional items on a weekly basis, to replace the items that have been sold.

Order Online

As we strive to offer you an excellent service, you can order online, 24 hours a day and with the highest level of service you have come to expect from us. Our efficient and secure ordering system ensures that your order is quickly processed and dispatched. In our online shop you can find our entire product range, new collections and products that are in sale, which we can all supply from stock.

Go to www.handedby.com, click on retailer site, log-in with your personal code and order.
