# RESEARCH EDDEN

As Maison et Objet opens its doors from January 18 to 22, 2024, Maeve invites visitors to experience a world where luxury meets sustainability, and art seamlessly merges with nature at HALL 7 - B39. The exhibition promises to showcase Maeve's latest creations, each telling a unique story of craftsmanship, commitment, and the everlasting beauty found in the natural world.

As you navigate Maison et Objet 2024, visit Maeve's exhibition in "Le Club" to witness firsthand the curated pieces chosen by Cédric Martineaud. It's an opportunity to experience the convergence of luxury, sustainability, and artistry in a setting that elevates the brand's commitment to timeless elegance and ethical practices.

Guests are invited to witness the launch of this exclusive collection, where more than 20 new products will be unveiled. Maeve's commitment to timeless elegance takes center stage in this collection, further emphasizing the brand's dedication to creating pieces that stand the test of time.
