INTRODUCING 101 COPENHAGEN´S NEW COLLECTION

ARTISTRY MEETS INNOVATION, A FUSION OF ICONIC ERAS AND MODERN CRAFTSMANSHIP

We're thrilled to introduce our new collection, blending style and functionality. Our highlight is the elegant TOE Chair Flat, crafted in a chic off-white boucle & the versatile stylish Taupe fabric from Sunproof. This season, we're also introducing a stunning Japanese-inspired vase KAMI, reminiscent of crumpled paper bags, yet perfectly waterproof for fresh flowers. Our TEMPLE Tables, crafted in limestone with uniquely rough edges, are an absolute must-see. And for an artistic touch, our TROIS Wall Lamp not only serves as a captivating wall art but also bathes your space in a soft, inviting light. We are excited to introduce BLOOM SLIM, a refined and elegant evolution of our iconic Bloom vase. This sleek design is perfect for showcasing fresh flowers and elevating any interior space.

Join us at Maison et Objet for an exclusive look at these exciting additions. We can't wait to share our passion and creativity with you!
