FAIR MADE FOR YOU

All weaving groups that work for Handed By are BSCI certified. This means that social norms are safeguarded and monitored throughout the entire weaving process.

'Fair made' products are changing the way trade works, through better prices, decent working conditions, a fairer deal for our weavers and of course using a selected range of sustainable materials.

HANDMADE FOR YOU

All our products are handmade in China, Indonesia and Vietnam. The social impact we create, is to support more than 400 families and help them improve their lives.

Everything we design is manufactured in an ethical and responsible way, in which 100% free of child labour is guaranteed.

DESIGNED FOR YOU

Our collections are developed in our design studio in the Netherlands. We are constantly looking for trends in lifestyle, home and the environment and talk to our customers about their needs.

You will find a button with our handprint on every Handed By product, showing that you have a unique, high-quality and trendy product in your hands.

RECYCLED FOR YOU

All Handed By collections are made with recycled plastic. By using recycled plastic, we slow down the process of exhausting the earth's natural resources. By making sustainable products that last almost a lifetime, we generate even more positive impact on the environment.
