SEDUIRE SOFA

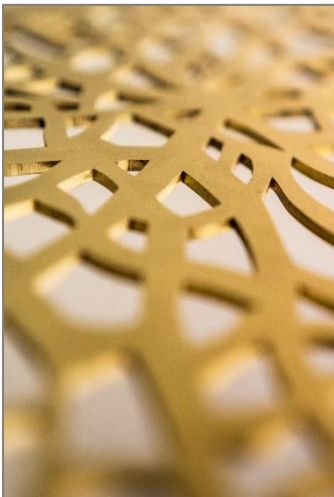

2023 GOOD DESIGN® AWARD

Porto, Portugal | February 2024, Memoir is pleased to announce that **ODYSSEY WALL LAMP & FLAME SIDE TABLE** have received **2023 HONORABLE MENTION** from **EUROPEAN PRODUCT DESIGN AWARD**.

With a collection **mostly handmade**, renowned for creating handmade furniture **focused on details** and material nobility with it's origin and production in Portugal, Memoir have created **Odyssey and Flame Side Table**.

ODYSSEY Wall Lamp is a dynamic product available in two different sizes and materials. Marble and brass are blended in an elegant duo that can be customized according the needs: polished or brushed brass, white or black marble, bigger or smaller sizes. It's possible to build the design desired.

FLAME Side Table with its unique handmade interlaced and with a brass top and bottom is an exquisite piece where details make the difference.

NOTES TO EDITORS

Memoir Essence Interiors has been writing its memories day by day, having its first chapter starting in 2016, after a journey of inspirational research and design, Memoir made its first appearance at Maison et Objet, in Paris. Since then Memoir is “writing” its own memories adding new materials, designs, techniques and appearances around the world, as in Europe, London or UAE.

Memoir represents a universe of elegance and refinement, with high attention to detail, combined with the use of exclusive materials.

The brand brings to us the handmade techniques, the excellence of the noble materials and exquisite details. Memoir is a name that declares the love for the ability to remember the past to improve our present and future. Memories of experiences that are creating new stories living through the design of the brand's beautiful collection, a collection with unique pieces with a story to tell, this is the company's true mission.

Memoir will continue the journey, always motivated by the inspiration possibilities!
