

SINGLES

Set for life – slick spoons ‘steel’ the show!

Launch: July 2024

Here's a real scoop from Zone Denmark – the SINGLES measuring set – two practical brushed steel measuring spoons: a tablespoon and a teaspoon. The material won't wear out, and the design is simplicity itself. Give it to someone who likes to bake and cook and they'll be all set for life.

This measuring set is an indispensable pair of everyday kitchen companions for measuring anything from coffee to spices. The timeless styling is the epitome of graphic simplicity. The semi-spherical measuring heads and flat handles 'spoon' together in the kitchen drawer. Space-saving and practical.

VE2 is behind the design, which matches the 100 ml and 500 ml measuring cups in the SINGLES range.
