**AT HAOMY, EVERY SEASON IS A
UNIQUE OPPORTUNITY TO
REINVENT OUR CREATIONS.**

Autumn and winter are seasons of transformation and comfort. Our new pieces reflect this renewal, combining fresh designs with contemporary and timeless textiles.

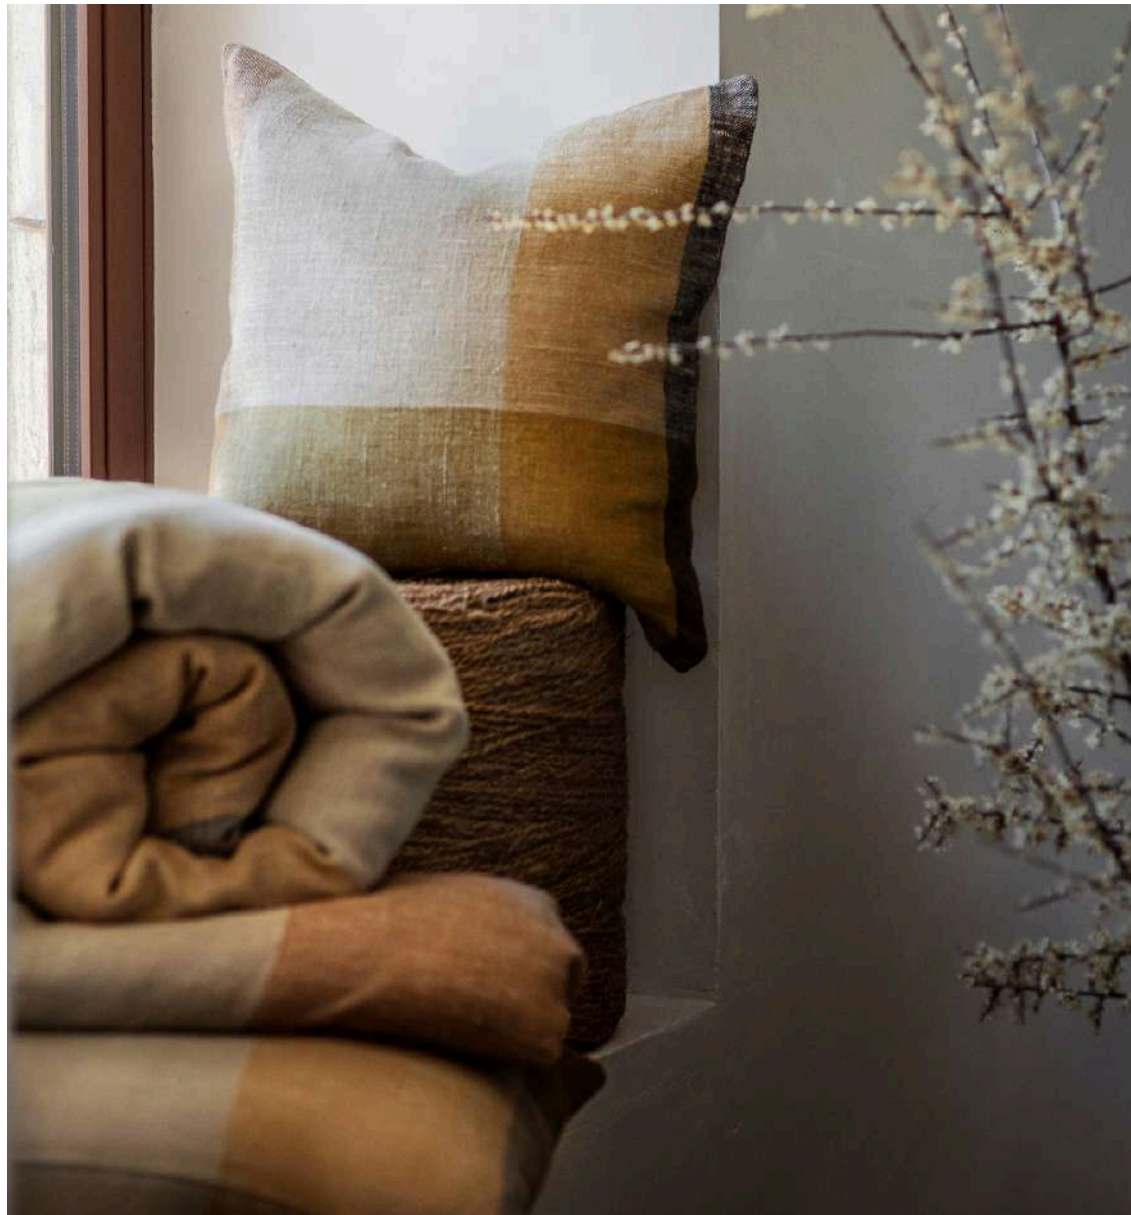

This season, Haomy is inspired by Nordic landscapes, snowy forests and cosy evenings by the fire. Each product in this collection has been designed to bring warmth, elegance and comfort to the heart of winter.

This season's shades, inspired by the natural colours of autumn and winter, create a warm, sophisticated atmosphere. Shades of terracotta, forest green and midnight blue dominate our palette, while our bold patterns play with geometric and romantic shapes to create a unique and refined ambience.
