UN SOIR A L'OPERA presents
Encore !

HOME FRAGRANCE 10.14 OZ – RETAIL PRICE: € 59.00

INSPIRATION : SO ADDICTIVE, YOU'LL BE CALLING FOR AN ENCORE!

Inspired by the applause and encores of the audience at the end of a performance, "Encore!" is an original and luminous composition by UN SOIR À L'OPERA. The composition of this intense and generous Home Fragrance is a true tribute to the vibrant and exhilarating world of opera, inviting you to prolong the olfactory emotion of its fragrant notes again and again. (Encore! means "again" in French)

A UNIQUE OLFACTORY ACCORD

This olfactory accord is particularly interesting as it blends unexpected notes, creating a sensation of freshness and vivacity. The combination of tomato leaf, blackcurrant berries, green mandarin and basil creates a fragrance that is both original and deliciously addictive.

- **TOMATO LEAF:** Bringing a vegetal freshness and a slightly acidic touch, the tomato leaf offers an interesting contrast with the fruitier and more aromatic notes of the other ingredients.
- **BLACKCURRANT BERRIES:** Blackcurrant berries bring a fruity, slightly acidic and slightly animal dimension, giving depth to the composition.
- **GREEN MANDARIN:** Green mandarin offers a sparkling citrus note, bringing vivacity and luminosity to the fragrance.
- **BASIL:** Basil, with its aromatic and slightly spicy notes, brings a touch of freshness and character to the composition.
