A stage for enjoyable moments – new series PALCO

'Palco', the Italian word for stage, is the inspiration for the new must-have in the Klatt Objects collection. Elevated on three elegant feet, the pedestal skilfully sets the scene for moments of pleasure. With its minimalist design, the tray is discreetly understated and at the same time enchants with its artisan craftsmanship.

The fine polish perfectly emphasises both the natural beauty of the wood and the details of the traditional manufacturing process. PALCO is available in two sizes: S (D: 23 cm, H: 4.5 cm) and L (D: 32 cm, H: 4.5 cm).

About Klatt Objects

The lifestyle brand Klatt Objects stands for selected and responsible design art. The founder and creative director is Detlef Klatt. The designer combines more than 20 years of experience in the fields of floristry, design, production, edition and trade. His contemporary collections include home accessories, vases, vessels, bowls, decorative objects and unique pieces made of porcelain, wood, shells and various natural materials. He is responsible for the design and the craftsmanship is carried out in the Philippines according to responsible principles. The sophisticated in-house collection is complemented by paintings and selected objects by international artists.
