### The joy of detail - SETTO series

Fancy spices, special salts, exotic nuts and other delicacies: The joy of creative ingredients and ideas for shared moments of pleasure is an ongoing lifestyle trend that suits the founder of the Klatt Objects brand. Detlef Klatt developed various series of bowls and spoons early on and has continued to expand them.

Now a wonderful new series has been added: SETTO describes a set consisting of handmade bowls (5x5x2 cm) with matching spoons. To start with, SETTO is available in the striking yellow 'Jackfruit' wood and dark greywood. Not unexpectedly, SETTO harmonises with

existing collector's items such as the bestsellers CHISANA, KLÄN and OVO.
