

Odense, 10/9/24

Rezas Rugs is proud to announce the grand opening of its new showroom in Odense, a space designed to showcase our wide range of rug collections, from the Everyday Collection to our Modern & Design selections and, of course, our renowned Oriental rugs. This new showroom represents a significant step forward for our brand, providing a dedicated environment where customers can explore, experience, and find inspiration through our beautiful designs and craftsmanship.

The realization of this project was made possible through a close collaboration with Easyfair A/S, who played an instrumental role in turning this vision into reality. From the initial sketches to the final construction, Easyfair A/S guided us through every step of the process. Their expertise and dedication, combined with the hard work of our teams, brought the showroom to life in just three days of intensive work.

“We’re thrilled to present this new space to our customers,” said Jesper Andersen, Deputy Director at Rezas Rugs. “It’s an inspiring place where we hope visitors can fully appreciate the beauty of our collections. The teamwork with Easyfair A/S was invaluable in making this project happen, and we’re extremely grateful for their collaboration.”

The new showroom is designed as an inspirational environment that highlights the beauty and diversity of Rezas Rugs. Whether customers are looking for timeless classics or modern designs, the showroom offers a unique opportunity to see and feel the quality and craftsmanship of each rug up close.

Rezas Rugs invites all customers and design enthusiasts to visit the new Odense showroom to explore our collections and discover the perfect rug for their home or office.
