

****Press Release****

**** New Exclusive Chappa Silk Collection ****

At the upcoming edition of Maison & Objet, ML Fabrics proudly presents a brand-new collection that combines luxury and sustainability. As a Dutch interior design label specializing in cushions and throws, ML Fabrics is renowned for its stunning color palettes and commitment to using natural, authentically crafted fabrics.

This latest collection is a celebration of beauty and traditional techniques. We have curated an exclusive selection of the finest chappa silk fabrics and vibrant prints in fresh colors that perfectly align with the interior trends of 2025. Each piece showcases exceptional craftsmanship and elegance, adding a unique touch to any interior.

ML Fabrics warmly invites you to discover this inspiring collection at Maison&Objet.

Best regards,

Marie Louise Dolle
