# THE BRAIDINGS

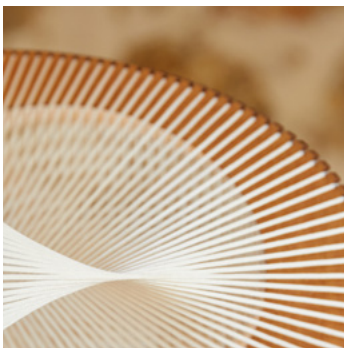

Our collection features a variety of braidings, offering a selection of different patterns. Cotton threads and ribbons, intricately worked into delicate meshes, subtly shape the light. The geometric lines, meticulously stretched and handwoven using expert craftsmanship, are the aesthetic signature of LAFABLIGHT.

All the different types of braidings can be discovered on our website: lafablight.com.

# THE COLLECTION

Our lighting collection includes pendant lights, wall lights, table lamps and floor lamps or even a custom made chandeliers.
This approach creates an aesthetic dialogue where each light complements the others in harmonious interplay.
LAFABLIGHT lightings are designed for all living spaces: homes, hotels, restaurants, offices, and more.
The brand also offers custom-made products and fulfills special orders upon request.
