

Tiptoes : animal-shaped bookmark with a ballpoint pen on the toes, presented for the first time at Maison&Objet

SUGAI WORLD, Inc. , a happy design gift maker founded in 2011 in Tokyo, will present for the first time outside Japan at Maison&Objet Paris “Tiptoes”, an animal-shaped bookmark with a ballpoint pen on the toes. You can carry it with you as a bookmark and take notes instantly with the pen. The animal holds the pages steady, and their appearance popping out of the book is both funny and adorable. They are made of FSC-certified paper, which is environmentally friendly and biodegradable, yet sturdy. The pen is storable and refillable. Lightweight and useful, they are wonderful companions for you and make great gifts for friends and family!

About SUGAI WORLD
 SUGAI WORLD, founded in 2011 in Tokyo, is a design gift maker with a playful attitude. Its history began with a fun sticky note called Mustache-it, a mustache-shaped sticky note. Made in Japan using eco-friendly materials, our playful products are now sold at lifestyle shops, museum stores, and similar shops around the world. Participate in M&O for the first time in January 2020 and this will be the third time in January 2025.
