*KLATT OBJECTS Updates Spring 2025*

## Multifaceted spring blossoms

Delicate spring greetings between heaven and earth. Klatt Objects is adding four new natural tones to the successful CHISANA series. The new palette ranges from taupe and tannin to pastel blue and a light stone grey. Until now, the petite hand-flattering vases were available in rosé and black, as well as in the typical pure white of the high-quality bone china from which the vases are handmade. Whether as a soloist or in an arrangement: with its three shapes and new colour variants, CHISANA offers a diverse range with which the awakening of nature can be creatively showcased. CHISANA comes in three sizes (S: 6 x 4 cm / M: 5 x 5 cm / L: 4 x 6 cm).

***Maison & Objects Paris // 16.-20. Jan. 2025 // Unique&Eclectic hall 5A / O 106***

*CHISANA is the Japanese word for small. In 2025, Klatt Objects is expanding the colour spectrum of the handmade mini vases.*

### About Klatt Objects

The lifestyle brand Klatt Objects embodies selected and responsible design art. The founder and creative director is Detlef Klatt. The designer combines more than 20 years of experience in floristry, design, production, edition and retail. His contemporary collections include home accessories, vases, vessels, bowls, decorative objects and unique pieces made of porcelain, wood, shells and various natural materials. The design is his creation, the handicraft production is carried out according to responsible principles in the Philippines. The sophisticated collection is complemented by paintings and selected objects by international artists.
