ERWIN – Easter joy from the manufactory

Iconic shape, each one unique. As a special Easter delight, the ERWIN series comes in wonderfully new colours and designs. The striking patterns in natural shades of dark brown, sand and pastel blue are created by traditional handcrafting. This means that no two eggs are alike. Hanged, laid or draped in a nest, ERWIN stylishly showcases small early bloomers and harmonises perfectly with popular Klatt Objects series such as OVO or CHISANA. ERWIN is available in three sizes for laying and hanging.

A nest full of unique specimens. Each vase in the ERWIN series is hand painted.
