KLATT OBJECTS Updates Spring 2025

FESTA from the heart. Not just for Valentine's Day

Favourite pieces in heart shape: FESTA hanging vases in two sizes

Free-floating and elegant: the FESTA hanging vases have been among the absolute favourites of the Klatt Objects collection since day one. By multiple request, Detlef Klatt, designer and founder of the boutique brand, has now expanded his bestseller series with two long-awaited models: starting this year, the FESTA hanging vases are available in a large and small heart shape, which are a delight for Valentine's Day and far beyond. The special highlight: the narrow openings of the hanging vases ensure that the delicate flowers are held securely, and without filling they serve as sophisticated design elements. The new FESTA hearts are available in two sizes, S (8 x 8 cm) and L (12 x 12 cm).
