THE ART AND MASTERY OF LIGHTING

1994

## PRESS RELEASE – JANUARY 2025

For over thirty years, HISLE has been designing and manufacturing exceptional lighting fixtures in France, combining expertise and innovation. At Maison & Objet 2025, HISLE will be exhibiting on 2 separate stands to showcase its expertise.

### LUXCIOLE by HISLE

#### Hall 7 Signature – Stand F-128

The brand's flagship product, launched over 10 years ago: the LUXCIOLE. The pioneer of high-end cordless lamps, it is the original and now iconic model.

With its top-quality finish and ever-improving technology, this instrument of light is indispensable both indoors and out.

Minimalist design combined with maximum efficiency. Both technical and poetic, the genius is in this lamp!

### HISLE : Edition et Manufacture

#### Hall 7 Signature – Stand F-136

HISLE offers a wide range of mass-produced and customizable lighting fixtures. The company also makes its expertise available to designers, architects and leading luxury houses to develop bespoke models or create unique pieces for exceptional projects.

Embodying French excellence, HISLE remains true to its values: simplicity, elegance, modernity and durability.
