originale

The Memento Wine Series 01 Cristal glass embodies all the values of the Memento Originale brand: handmade, hand-blown (this makes each Memento glass unique and different from all the others), dishwasher safe, with colour as part of the material.

A crystal goblet with a joyful coloured stem, exactly what was missing on the Memento table, to be mixed at will with Memento Table plates and all the other glasses (and not only..) in Memento Originale glass or Memento Synth methacrylate.

«We can thus abandon ourselves, almost a little helplessly, and let be enveloped by the power of colour; have confirmation that, in our work, doing beautiful things and doing them well, even before being a business choice or a market strategy, is a personal necessity and a pleasure.» Roberto Zani
