AW 25

festive

Dear all,

&Klevering has been adding colour and character to living rooms for decades. Our home accessories don't just fit in any interior, they add something special. We've stayed true to our authentic Amsterdam style since the day we were founded in 1992. Our motto: design always comes first.

Step into the season with a first glimpse of our AW25 festive collection. Thoughtfully curated to capture the wonder and warmth of the holidays, this year's pieces are all about celebrating and making the festive moments magical.

We will launch the full AW25 collection in early July.
We can't wait to show you what's in store!

sirène

Add a touch of undersea elegance to your table with the sirène series. Featuring hand-painted patterns and a geometric design inspired by the texture of fish scales, each item brings subtle movement and charm to your setting. A refined blend of craftsmanship and playful detail, perfect for mixing and matching across your home decor.

hal haines

Hal, an artist skilled in ceramics and visual storytelling, adds vibrant and expressive designs to his work. His style blends colourful paintings with clean lines and modern materials, creating versatile pieces. After last season's success, we couldn't resist a sequel, bringing you tealights and candle holders. Mix and match to create your own miniature village inspired by the british countryside.

glasses

Our glassware is designed with a careful balance of colour and form, making it a natural fit for both everyday use and more festive, thoughtful settings. The borosilicate glass and subtle shaping give each piece a distinct presence without overpowering the table. Combine with other pieces in the collection for a cohesive and understated arrangement.

funfunfun

Not everything on the table has to follow the rules.

A playful bottle stopper shaped like a candle, a tealight holder that feels like a tiny bistro lamp, or a salt & pepper set that recalls holiday cheer in a fresh, unexpected form. Small details that invite a second look and bring a bit of humour to the setting.

Perfect for festive dinners, casual get-togethers, or any moment that calls for something a little unexpected.

brute

Meet the bold and dynamic candle holder brute. This trio of candle holders almost looks like it's in motion, yet stands perfectly still like a geometric sculpture. Each piece features a unique stacked design, creating an eye-catching play of shapes and shadows. Crafted from high-gloss glazed ceramic, these candle holders add a modern edge and elegant shine to any interior, whether used individually or as a set.

puzzles

Holiday puzzles give you a reason to pause and gather around the table. One standout is a modern nativity designed by Nynke Tynagel for our sister label Buro Berger. Contemporary, thoughtful, and different. It's a nice way to bring a familiar story to life while keeping hands busy and spirits quiet, whether you're tackling it solo or passing pieces back and forth.
