

ATM GAMING TRIUMPHS: DOUBLE AWARD AT THE 2025 TOY GRAND PRIX!

Paris, June 25, 2025

PILI PILI AND MOUTON MOUTON ARE MAKING WAVES!

We are thrilled to announce that on Thursday, June 19, at the Grand Prix du Jouet ceremony organized by La Revue du Jouet, we didn't win just one trophy (which would have already been huge) — we won two!

Our two latest game-changers, Pili Pili and Mouton Mouton — **not even released yet** — have already won unanimous praise from a jury of **14 major retail chains, 4 toy experts, and 6 multi-specialist stores.**

We're proud to see our games take the top spot not just once, but twice, **before even hitting the shelves.** It's a real adrenaline rush for the whole team. Nothing thrills us more than seeing kids and grown-ups having a blast with our creations... and clearly, the jury felt the same way!

Here's a closer look at **Pili Pili and Mouton Mouton**, two future hits to be **distributed by PixieGames**, and already celebrated by toy industry pros.
