KLATT OBJECTS Updates Autumn 2025

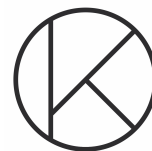

FLORA Convallaria - Contemporary herald of spring

Contemporary sensuality: FLORA Convallaria vase (left) with FIFO cup. © Klatt Objects

Between romantic floral enchantment and contemporary minimalism: With the new FLORA Convallaria vase, Klatt Objects adds a timeless statement to the FLORA series that combines sensual lightness with artisanal craftsmanship. In the fine workmanship, each individual lily of the valley is incorporated into the matt surface of the traditionally manufactured bone china. The delicate, slightly playful decoration contrasts excitingly with the simple, conical silhouette. Tip: The FLORA Convallaris harmonizes particularly well in an arrangement with the newly launched FIFO cups.

About Klatt Objects

The lifestyle brand Klatt Objects embodies selected and responsible design art. The founder and creative director is Detlef Klatt. The designer combines more than 20 years of experience in floristry, design, production, edition and retail. His contemporary collections include home accessories, vases, vessels, bowls, decorative objects and unique pieces made of porcelain, wood, shells and various natural materials. The design is his creation, the handicraft production is carried out according to responsible principles in the Philippines. The sophisticated collection is complemented by paintings and selected objects by international artists.
