

PRESS RELEASE

Maison Joliette at Maison & Objet – Paris, September 4–8, 2025 Hall 7 – Stand G40

Paris, August 2025 – Maison Joliette invites you to meet them at **Maison & Objet in Paris, from September 4 to 8, 2025**, for a journey into creativity, colour, and softness.

At Stand G40 – Hall 7, the brand will unveil its new collections: poetic illustrated puzzles, paint-by-numbers kits for moments of relaxation, inspiring colouring books, refined stationery, and joyful decorative objects.

In an exclusive preview, Maison Joliette will also present its **special Holiday Season collection** – an invitation to dive into the magic of Christmas, with creations that are perfect to give... or to keep for yourself.

All Maison Joliette creations are **made in France and Europe** with **eco-responsible** manufacturing. Colourful and delicate, each object is designed to offer genuine moments for oneself — a pause in time, far from the daily rush.

“Every Maison Joliette creation is a little bubble of softness and colour. We love imagining objects that inspire you to slow down, smile, and share — whether it’s for your own enjoyment or to give a gift that truly means something,” says Fabienne Lucas, founder of Maison Joliette.

Practical information:

- **Maison & Objet – Paris Nord Villepinte Exhibition Centre**
- **September 4–8, 2025**
- **Hall 7 – Stand G40**

About Maison Joliette

Since 2023, Maison Joliette has been designing creative and decorative collections, crafted with care and made in France and Europe. Inspired by colour, softness, and nature, the brand is committed to environmentally responsible production and offers objects that invite you to slow down, create, and dream.
