## ***ANNA Alto – sophisticated atmosphere***

*Atmospheric ambience: Klatt Objects expands its successful ANNA series with the ANNA Alto candle holder and vase. © Klatt Objects*

With its organic silhouette and hand-crafted surface, the ANNA series has become one of Klatt Objects' bestsellers. Now the brand is expanding its vase collection with an exciting new addition: ANNA Alto. Perfect for long taper candles, ANNA Alto stands out as a slim and elegant candle holder, creating an atmospheric ambience. As a vase, it stylishly showcases delicate grasses or individual twigs, once again emphasising the multifaceted nature of this pure white series. The ANNA series is traditionally handmade in the factory. The ultra-fine bone china is unglazed and velvety smooth, which particularly emphasises the organic design and the surface that is so pleasing to the touch.

### About Klatt Objects

The lifestyle brand Klatt Objects embodies selected and responsible design art. The founder and creative director is Detlef Klatt. The designer combines more than 20 years of experience in floristry, design, production, edition and retail. His contemporary collections include home accessories, vases, vessels, bowls, decorative objects and unique pieces made of porcelain, wood, shells and various natural materials. The design is his creation, the handicraft production is carried out according to responsible principles in the Philippines. The sophisticated collection is complemented by paintings and selected objects by international artists.
