

LOFTNETS

Always pioneering, always inspiring!

LOFTNETS, the specialist in custom-made home nets, returns to the Maison&Objet fair from January 15 to 19, 2026, introducing its refreshed visual identity and enriched website.

A new, more readable logo and a **completely redesigned website**, optimized for anyone dreaming of integrating a tensioned net into their future projects!

With intuitive navigation and clear, inspiring information, this new website brings all of LOFTNETS' expertise to your layout projects.

Its modern design faithfully reflects **LOFTNETS' innovative spirit**, a pioneer in custom-made nets inspired by the nautical world.

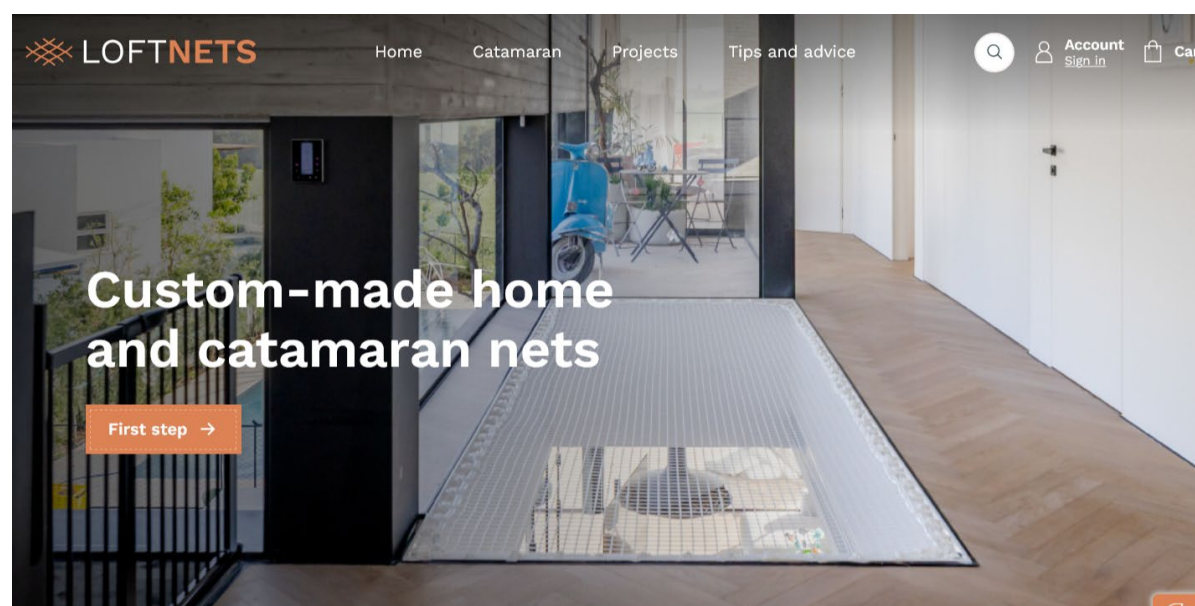

Updated and more readable, the LOFTNETS logo combines:

LOFT : a sweet home offering endless layout & décor possibilities

NETS : a real catamaran net at home? Amazing! 😊

New Loftnets.com website: Dive into the LOFTNETS universe

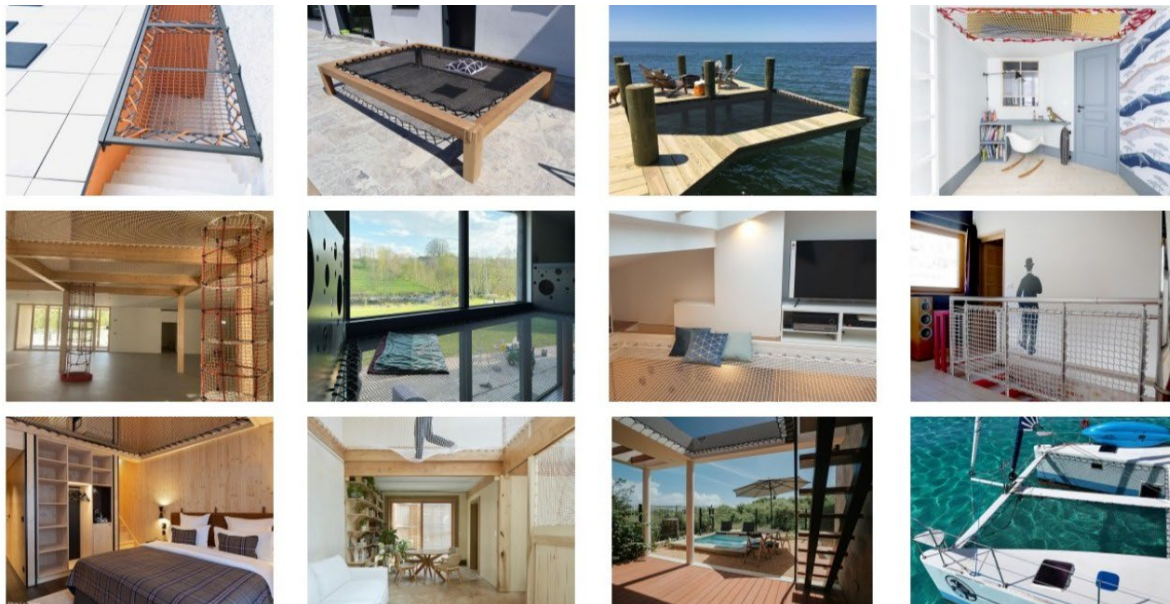

- **XXL immersive visuals:** dive into real-life applications, indoors and outdoors.
- **Unique and varied installations:** each LOFTNETS project reflects our clients' creativity.
- **Full customization:** our nets showcase a wide variety of materials, ropes, and fixtures to suit your needs.

LOFTNETS

Our Advice pages : the right custom-made net for every project

Whether for mezzanines, terraces, stair railing or balconies, our guidance covers all applications. Our expertise also extends to public buildings and hospitality projects worldwide, where safety and design go hand in hand.

Let our Advice pages guide you through all the possibilities offered by our complete tensioned-net solution, which includes a fastening system adapted to your structure and validated by an independent inspection office.
