Apollo: State-of-the-art cooking and a party

Apollo: State-of-the-art cooking and a party by **Frederik Bille Brahe** is the first cookbook devoted to Apollo, his museum restaurant located in the courtyard of the historical art institution Kunsthall Charlottenborg in Copenhagen. Together with head chef Yuta Kurahashi, Frederik shares 104 recipes in Apollo's signature style: playful, elegant, and rooted in a dialogue between Danish cooking and Japanese, French, and Italian cuisines.
