## BE HOME - 2026

Be Home unveils its 2026 collection: over 100 new pieces crafted with thoughtful design, responsible materials, and timeless warmth.

Clean lines, authentic textures, and durable, natural materials expand the brand's universe while reaffirming its commitment to ethical craftsmanship and long-lasting quality.

This new collection reflects a continued mission: to create meaningful, character-rich objects that bring a sense of simplicity and warmth into everyday spaces.
