ORIGINAL DUCKHEAD

ORIGINAL DUCKHEAD TEAMS UP WITH PEANUTS® FOR A LIMITED EDITION UMBRELLA COLLECTION

London based umbrella brand Original Duckhead has partnered with Peanuts® to launch a limited edition collection celebrating **75 years of Snoopy and the gang**.

The collaboration brings together Original Duckhead's distinctive design approach with the timeless charm of Peanuts. The collection features **three exclusive umbrella prints**, created for collectors and fans alike.

Each design captures Snoopy and friends in playful, sport inspired scenes. *Golf* sees the gang hitting the course, *Ace* takes over the tennis court, and *Yo!* brings effortless cool to rainy days. The result is a collection that blends character driven storytelling with everyday practicality.

At the heart of the collaboration is Original Duckhead's belief that an umbrella does more than protect you from the rain. It helps define how you feel when you step out the door. Founded in London in 2012, Original Duckhead is a woman owned and led brand dedicated to creating considered weather wear for people who care about every detail.

Every Original Duckhead umbrella is handmade, crafted to last beyond the season and designed to be kept, loved and collected. Staying true to the brand's ethos, the Peanuts

umbrellas combine thoughtful craftsmanship with bold, joyful design, from the iconic handle to the carefully developed prints.

The Original Duckhead x Peanuts limited edition collection is available for a limited time only.
