VACUUM MOLD KOGYO Co., Ltd.

Headquartered in Sumida-ku, Tokyo, we are a vacuum molding die manufacturing plant established in 1958.

We have the largest share of the vacuum molding die manufacturing market in Japan, and we have the ingenuity, planning, design, and technical capabilities to meet the many demanding requests of our clients over the years. In this brand, we will generously utilize this solid strength in art and artistic expression to create new products.

illuminates the imagination

KITAZAWAZOKEI

Be the designer of you own light.

Lumiemo

Lumiemo is an innovative lamp that invites everyone to become the designer of their own light. With its removable lampshade, the decorative content inside can be freely changed, turning each piece into a unique and personal creation. Its modular design lets you adapt the atmosphere to different moods, people, or seasons. Lumiemo speaks to design lovers and creators who wish to bring a personal and sustainable touch to their surroundings.

Freely change the decorative content of your light.
