LA LUMIÈRE A DU STYLE

COLLECTION 2026

MARKET SET, lights up thanks to a new artistic direction and a young design team who renew the look of the brand and give a high level position and a priority to design. Integrated in Corep since June 2016, MARKET SET is a lighting design brand which remains on its original strengths and launches elegant new collections at low prices.

INTEGRATED DESIGN AND MADE IN FRANCE manufacturing are the perfect blend for this brand new collection.

DOLCE

Like a stylized postcard of the Los Angeles landscape at sunset, the DOLCE range plays the card of the contrast of its urban forms and the warmth of the natural colors of its palette. Its modernist geometric shape softened with a discreet curve to accentuate the reflections of light is a brand new creation by Market Set, both simple in appearance and yet very sophisticated. The cotton trim emphasize the originality of the shapes and draw graphic lines on each side of the lampshade, like a city street map. Its washed linen lampshades and cotton lining are made in our workshops and warm the matt brushed metal of the lamp bases while softening the diffusion of light for a cozy and enveloping effect.

Curved square base lamp in brushed metal. Curved square lampshade in linen lined with cotton fabric decorated with a double braid. Equipped with a textile cable.
