Shangies by Stilov introduces three news to their sandal selection

In January 2026, Danish brand **Shangies by Stilov** expands their sandal selection with three new colours: **Pecan Puce, Wave Walker and Dune Diver**. Designed as an extension of the brand's colourful palette, the new shades reflect Shangies' focus on timeless design, functionality and colours with long-lasting appeal.

"We design colours that can be worn by everyone – across seasons and borders. The three new shades are created to fit seamlessly into our existing universe while adding something new and distinctive," says Maria Stilov, founder of Shangies by Stilov.

New colours for Unisex#2
Last year, Shangies by Stilov launched **Unisex#2** – a sandal designed for both men and women seeking a more chunky and edgy look. Originally introduced in the colour Rebel Ranger, the model is now expanded with two new shades:

Wave Walker - Inspired by the depth of the ocean and the rhythm of the waves. The deep blue tone reflects the water's constant movement and creates a bold, dynamic expression with strong character.

Dune Diver - A golden brown shade with a dark base that adds intensity and a raw colour play. Inspired by warm sand dunes and desert silhouettes, the colour evokes curiosity and a desire to explore new terrain.

Unisex#2 is available in sizes **35/36 – 46/47**.

Expansion of Women#1
Shangies' original and popular Women#1-style is expanding with the colour Pecan Puce. The iconic style is now available in 19 beautiful colours.

Pecan Puce - A warm, earthy taupe tone that radiates calm and natural elegance. A soft hint of violet adds a feminine touch and extra character. Pecan Puce creates a sophisticated and timeless look.

Women#1 is available in sizes **35/36 – 41/42**.

The news can be ordered from mid-January 2026 with delivery in February/March 2026.
